

Nominees for the best supporting actor are...

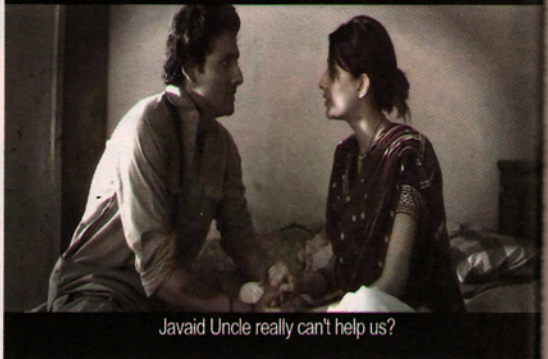

Directed by Khurram Mahmood, *Insha Allah* has received a lot of foreign attention. It has been nominated by the International Filmmaker Festival (IFF) as the Best Foreign Language Film in 2009. The IFF has also nominated Mohib Mirza as the Best Supporting Actor for his role in *Insha Allah* this year. "I feel lucky and honoured to be the first Pakistani actor recognized by the IFF for being amongst the few who are able to make a mark as an international performer," says the humbled Mohib. As the co-founder of the theatrical group *Draamay Baaz*, having worked with multiple iconic directors and producers, and having his performances screened at the 4th, 5th, 6th and 7th Kara Film Festival, it was high time for Mohib to be given the international credit he deserves. ■
